DESCRIPTION

Portabello's is a fine dining family restaurant owned and operated by the Kantors. The cuisine is Mediterranean, décor casual elegance, and atmosphere welcoming. Located at the busy four corners in Fly Creek, 3 minutes west of Cooperstown, Portabello's hearkens to a time when families dined together to celebrate, communicate, and share the day's events. Come to Portabello's, your home away from home.

Portabello's sidewalk cafe will be opening in May. You may continue to enjoy the air conditioned comfort of the inside dining rooms, or sit at the spacious umbrella tables, and watch the comings and goings of Fly Creek, a most charming hamlet.
